

TIME (CET)	TIME (EST)	CYBER TALK KEYNOTES							
14:00	8:00 AM	Check Point 2021 Innovations, Roadmap & Vision – Dorit Dor, VP, Products, Check Point							
BREAKOUT SESSIONS									
		Secure the Cloud	Secure Users & Access	Secure the Network	Security Automation & Orchestration	Hackers Exposed by CPR	Cloud Security Best Practices Workshops	Secure Remote Access (SASE) Best Practices Workshops	CheckMates Community Use-Cases
15:00	9:00 AM	Tales from the Cloud - don't be part of the statistics	SD-WAN and Branch Office Security – Unique Challenges & Effective Approaches	Cyber Security in the Age of Things – Revealing Check Point IoT Security Solution	Realizing the Infinity Architecture with the Infinity Portal	Amazon Alexa - Keeping your gate locked on your IoT devices	Shifting Security Left	Check Point Secure Corporate ACCESS	Best Practices: SmartConsole Extension
15:30	9:30 AM	3 Steps to Reduce Risk in Your Cloud Environment - FireMon Session	Can YOUR Endpoint Protection do THIS? How a modern Endpoint Protection & EDR should look	Keeping the Edge Sharp - Performance Management Simplified	Check Point Next Generation SecOps – Introducing Infinity Vision XDR	COVID-19 Impact: As Retailers Close their Doors, Hackers Open for Business			A Newcomer's view on the Check Point technology
16:00	10:00 AM	Solarwinds Sunburst: Using behavioral detection to discover a supply chain attack	Protecting your Emails and Office 365 Applications	Identity Based Access Control and Threat Prevention	Infinity Next - Security Orchestration and Automation	TikTok and the cybersecurity challenge	Public Cloud Security Blueprint	Incident investigation like an expert with Forensics & EDR	Cyber Espionage Reloaded: Naikon APT
16:30	10:30 AM	Amazon AWS Sponsor session	CISOFLIX- CISO Tales in the New Normal	Introducing New Capabilities delivered from the Cloud and SmartConsole Web	Infinity Autonomous Threat Prevention Explained	FreakOut			CISOFLIX- CISO Tales in the New Normal
CYBER TALK KEYNOTES									
17:00	11:00 AM	Lessons from the "Biggest Work from Home Experiment" - Dan Wiley, Chief Security Advisor							
17:30	11:35 AM	The Truth behind SunBurst - Oded Vanunu, Head of Products Vulnerability Research & Yaniv Balmas, Head of Security Research, Check Point							
17:55	11:55 AM	Infinity NEXT Architecture - the Need of Consolidation in Cyber Security - Avi Rembaum, VP Security Solutions, Check Point							
18:15	12:15 PM	Cyber Pandemic Cure - Harmonizing Secure Users & Access - Neatsun Ziv, VP, Threat Prevention, Check Point							
18:35	12:35 PM	Cloud Security - Now More Than EVER - TJ Gonen, Head of Cloud Product Line, Check Point							
18:50	12:50 PM	Fireside Chat with Ann Johnson, Corporate VP Security, Compliance & Identity, Microsoft & Erez Yarkoni, Head of Cloud and Telco Sales, Check Point							
19:05	1:05 PM	Fireside Chat with Scott Ward - Principal Solutions Architect, AWS & Erez Yarkoni, Head of Cloud and Telco Sales, Check Point							
19:20	1:20 PM	20X20 Cyber Innovation Winner							

**Sponsor EXPO & Tech Labs are OPEN!**

TIME (CET)	TIME (EST)	BREAKOUT SESSIONS - REPEAT								Sponsor EXPO & Tech Labs are OPEN!
		Secure the Cloud	Secure Users & Access	Secure the Network	Security Automation & Orchestration	Hackers Exposed by CPR	Cloud Security Best Practices Workshops	Secure Remote Access (SASE) Best Practices workshops	CheckMates Community Use-Cases
